

## 3 Roles within the Family

Ephesians 5:22-6:4

The definition of family has faced many challenges over the past several decades. Not only has the foundational unit of society been redefined, but it has also been assaulted by the prevalence and use of so-called “no fault divorces.” As we look at the biblical understanding of family, it is imperative we discover the role of each member and discover why each person is important.

They are to teach what is good, 4so they may encourage the young women to love their husbands and to love their children, 5to be self-controlled, pure, homemakers, kind, and submissive to their husbands, so that God’s message will not be slandered.” Titus 2:2-5
