Model Mothers

“Where Does a Mother Go to Resign?” is a book by Barbara Johnson. It is a reminder that the role of a mother is becoming increasingly difficult. What characteristics does one need to be successful as a Mother? I certainly do not have the answers, but today I want to lift out of scripture three models mothers can imitate. They will encourage not condemn, inspire, not produce guilt, enlighten, not frighten.

- I. Hannah; A Model of _____ (I Samuel 1:8-18).
 1. She prayed for a son.
 2. She prayed for her son.
- II. Eunice-A model of _____ (II Timothy 1:5)
 1. Her faith was personal.
 2. Her faith was sure.
 3. Her faith was passed on
- III. Rizpah-A model of _____ (II Samuel 21:9-15)
 1. She loved through problems not her own.
 2. She loved by protecting her son.

Where does a Mother go to resign? They don't. They follow the models of prayer, faith, and love. They keep on keeping on, and that comes from a personal relationship with Christ.

Faith of our Mothers

1. Faith of our mothers, living still. In cradle song and bedtime prayer;
In nursery lore and fireside love, Thy presence still pervades the air.
Faith of our mothers, living faith, We will be true to thee till death.
2. Faith of our mothers, loving faith, Fount of our childhood's trust and grace,
Oh, may thy consecration prove, Source of a finer, nobler race;
Faith of our mothers, loving faith, We will be true to thee till death.
3. Faith of our mothers, guiding faith, For youthful longing, youthful doubt,
How blurred our vision, blind our way, Thy providential care without.
Faith of our mothers, guiding faith, We will be true to thee till death.
4. Faith of our mothers, Christian faith, In truth beyond our stumbling creeds,
Still serve the home and save the Church, And breathe thy spirit through our deeds;
Faith of our mothers, Christian faith, We will be true to thee till death.
