Faithful Fathers

II Samuel 3; 13-14; 18:32 – 19:4

How much does it cost to raise a child? The cost estimate to raise a child to age 17 is \$233,610. Parents know the greatest cost is not measured in dollars, but in time, love, patience, advice, and tears. Parenthood is sometimes measured in sleepless nights, worry, concern, and fears.

The Bible has much to say about parenting. It gives illustrations of both successful and failures. Good lessons can be learned from both David is a good example of one who was successful in many areas, yet as a father may have failed. Let's look into his relationship with his son Absalom to learn about being a faithful father.

- I. Faithful Fathers know how to lovingly _____ 2 Samuel 13:1-22.
- II. Faithful Fathers know how to _____ 2 Samuel 13 – 14:33.
- III. Faithful Fathers set the _____ 2 Samuel 3:2-5.

What kind of legacy are we leaving for our children? The most important thing we can do for our children is to teach by example, the importance of a right relationship to God.

We are currently seeking artists ages 4 to grade 6 to join us at our Spark Studios here at Many First Baptist Church. Invite your kids and grandkids to join us for a week of creativity, fun, food, and learning about God and His plans for us. We would also like to see ADULTS of any age come join us! We have a class for them as well.
